

# Who Are The Sikhs?

**February 11th 1:30 - 2:30pm**  
**Student Center 285**

*Presentation by: Harman Singh & the WSU Sikh Student Association*

Sikhs represent the 5th largest religion in the world. Yet, the vast majority of Americans do not know who they are, or what they believe in. In this interactive presentation, you will hear from Sikh members of the Wayne State community about their experiences in being a visible minority on campus, and learn about the values and beliefs Sikhs uphold.
